

Birth to Five School Readiness Goals

Children will demonstrate positive approaches to learning such as controlling impulses, maintaining focus, and sustaining attention.

Children will learn to express and manage their emotions.

Children will demonstrate increasing control, strength, and coordination of hand and finger muscles.

Children will be able to express themselves and understand language.

Children will attribute meaning to some symbols,
(such as identifying pictures, naming letters, or producing correct sounds associated with letters.)

Children will use objects or symbols to represent something else.

Children will understand the relationship between numbers and quantities.
